Chamber Endorses Sales Tax

Goblins Are Scary Story Fare

Stories of the supernatural, of ghosts, and awful creatures are only natural fare for Oct. 31. Half believing yet not wanting to believe, city youngsters will trick or treat Friday night with a sharp eye out for goblins and witches.

Although horror pictures or movies of the supernatural are now passe, a chilling ghost story will still fascinate a child.

Ann Read, third grade teacher at Rex Reeves Elementary School in Canyon, gave her students a chance this week to write their own ghost story.

She allowed them to write a

play, poem, or story depicting Halloween. And some of the attempts are funnier than they are scary.

Drawing from personal experience, television shows or just their own imagination, the third graders wrote of the goblins and witches. Some of their stories and poems follow.

The Canyon Chamber of Commerce board of directors endorsed Monday night the proposed levying of a one per cent city sales tax.

Through a unanimous vote, the directors voted to back the Canyon City Commission endorsing the tax.

An election for Canyon residents to decide whether the city shall have a sales tax has been called by the commission for Nov. 18.

The commission has gone on record supporting the sales tax.

Chamber Board President Dean House, saying that not since he has lived in Canyon has the chamber spoken out on any civic issue, urged the chamber directors to vote one way or the other.

Mayor Paul Lindsey spoke briefly to the directors on the sales tax at the Monday night session, and answered several questions concerning the tax.

Stressing that the tax will bring about \$100,000 into city coffers, the mayor pointed out that the additional revenue could be used for "badly needed repairs to streets, a possibility of more parks, improved public safety protection, an improved and modern method of waste disposal and many other badly needed services."

He said the one per cent sales tax will be levied on the same items which are currently taxed by the state. The tax, which will go into effect April 1, 1970, if passed by the city voters, would be collected by the state.

"Allowing the state to collect the tax will be simpler and more convenient for business firms," the mayor said, "as they will be able to file one report rather than two. This method will cost the city less than if it made its own collections."

Lindsey said the state will charge about two per cent taxes

from Canyon for collecting the tax.

The mayor said he backs the tax plan because "every one would pay at least something toward the cost of operating the city."

"Visitors, students, and persons living outside Canyon would pay their share. This is only fair because they also use city facilities. A sales tax is paid in very small installments, spread over an entire year, which would make it easier on the family budget."

In answering doubts which have been raised about the

Commission Cool To Drug Project

BY CARROLL WILSON

Amarillo has asked Canyon and Randall County to join its forces in financing two undercover men for the Amarillo Police Department's intelligence unit. Canyon city commissioners are hesitant to accept the invitation.

At a meeting Monday afternoon in Amarillo, city commissioners and one Randall county commissioner were told of a

plan which would cost the city \$2,000 and the county \$6,000.

City Commissioners met in special session later Monday and were reluctant to join the project. Randall Commissioners have not discussed the possibility.

The proposed project, which is an offshoot of a mid-summer suggestion by Amarillo Mayor J. Ernest Stroud, would have a total cost of about \$20,000.

Amarillo and Potter County would also pay \$6,000 each.

During the summer, Mayor Stroud suggested that the four governmental entities join forces specifically to combat narcotics traffic in the two-county area. Apparently Monday's meeting was a result of the mayor's suggestion.

Amarillo City Manager John Huff called the meeting "to find a cooperative program whereby the law enforcement bodies of the four entities can cooperate to solve the drug problem in the city of Amarillo."

But, apparently, a plan had already been formulated and it was that plan which was presented to the joint meeting.

Chief of Police Wyle Alexander of Amarillo explained to the officials that Amarillo's intelligence unit - which now consists of four men - is overburdened with cases.

Added to the case load is a considerable number of inquiries that each of the intelligence officers makes each week.

Alexander said the speeches are in reality an educational process and that education is the

Williams Guilty Of Rape

BY TROY MARTIN

Jerry Lee Williams, 29 years old, Palisades, Tuesday was found guilty of raping a 13-year-old girl and assessed a term of seven years in state prison.

A jury of ten men and two women deliberated a little more than six hours before reaching a verdict. Punishment was as-

sessed by District Judge Gene Jordan.

Wife and mother of the defendant broke into sobs as the verdict was read. Williams, who had denied having even seen the girl the day the offense is alleged to have occurred, took the jury's decision without emotion.

En route from the court room

to a Randall County jail cell Williams continued to proclaim his innocence to sheriff's deputies and anyone else who would listen.

Foreman of the jury was A.B. Bingham of Amarillo.

Following the verdict Defense Counsel Charles Rittenberry of Amarillo asked for probation. Judge Jordan denied the plea.

Williams was convicted of raping a 13-year-old Amarillo junior high school girl in the Palisades the evening of May 23.

Taking the witness stand, the prosecutrix testified that Williams frightened her teenage male companion away from a Palisades cabin and then man-handled her.

She told the jury that Williams earlier in the evening had purported to have known her mother at Pampa. "He said he loved me and wanted to marry me," the girl declared.

She said she rebuffed Wil-

liams' overtures.

She said she went with Gary Davis, a Canyon high school youth, to a cabin belonging to Kenny Tate, another teenager. "We were kissing," she testified.

She said Tate came to the cabin and told Davis that Williams was on the way there to beat him up. The two boys left and Williams came to the cabin, she testified.

She said Williams twisted her arm behind her and threatened to kill her.

She escaped and fled with Williams giving chase, she said. The two fell over an embankment and it was there that Williams forced her hands behind her, removed her clothing and raped her, she declared.

"I was crying and he kept telling me to shut up or he'd kill me," she related to the jury. She said she could smell liquor on the defendant's breath.

There was subsequent testimony by Tate and Davis that the girl had been drinking beer.

The prosecutrix was truant from school that day and testimony established that she has a

City Joins With Others To Knock Gas Rate Hike

Canyon will join with 24 other area cities and towns to protest the application by Pioneer Natural Gas Co. for a rate increase on their West Texas Distribution System.

The City Commission passed a resolution during a special session Monday afternoon to join the other cities in the protest.

The gas company announced earlier this month it will seek

a rate increase from the current 28 cents per 1,000 cubic feet of gas to 34 cents per 1,000. The company submitted a request to the Texas Railroad Commission Oct. 10 seeking such an increase.

Howard Northcutt, Canyon city manager, told Canyon commissioners Monday that last Thursday he attended a meeting in Lubbock composed of the 24 cities protesting the rate hike.

He said he was told at the meeting that when Pioneer Natural Gas Co. presented its request to the railroad commission, it asked for an increase from 28 cents to "at least" 34 cents.

To join the other cities - one of which is Lubbock - in the protest, Canyon would be required to pay about \$1,500.

Northcutt said a steering committee was formed at the Lubbock meeting. The committee will hire a group of legal consultants to investigate Pioneer's rate increase request.

"They're not interested so much in whether Pioneer should have a rate increase as to how much increase they should have," Northcutt said.

A Pioneer representative told The Canyon News in early October that a rate increase will be requested later this year for an increase in consumer meter rates in the city.

Canyon commissioners were enthusiastic in their support of the protest movement.

Commissioner H.J. Faxon and Mayor Paul Lindsey pointed out that about two years ago several cities tried to band together to protest a similar rate hike.

That attempt failed, however, because Lubbock - the moving force in that campaign - dropped out.

Lindsey suggested that the steering committee be kept in tact after the current rate conflict is settled in order to study similar rate increase requests by other utility companies.

The resolution adopted by the

Defensive Battle Seen For Demons

Bill Spann, head football coach of the Dumas Demons, said he anticipates a defensive battle Friday night in the Buffalo Bowl where the Demons and the Canyon Eagles will clash in the second District 1-AAA game for each team.

Coach Spann said scouting reports on the Eagles indicate, "Canyon is an extremely tough, hard-hitting, defensive ball club. Our defense has come along in the past several weeks and I look for a good, tough defensive ball game."

Last week the Demons mauled Muleshoe 57-0 in their district opener while the Eagles fell 13-0 to Hereford.

Asked if he thought the Demons would throw the ball much against Canyon, Spann said, "We've always thrown the ball quite a bit this year and I anticipate we'll throw about as much as we usually do."

He said he had some starters

on the injury list, but did not count them out of the Canyon contest.

Eagle Coach Dunny Goode said he weighed his boys Monday and found many of them had lost considerable weight since the beginning of the season.

"Our starting offensive team averaged 172 pounds per man, which means they will be out-weighted 14 pounds a man by the Dumas defense."

"Our defensive team averaged 166 pounds and will be giving away 19 pounds per man to the Demons' offensive unit."

Dumas will bring a 4-2 record into the Buffalo Bowl with wins over Pampa, 28-7, Phillips, 40-7, and Tascosa of Amarillo, 12-7. The Demons' only losses have been to 4-A powers Borger and Palo Duro of Amarillo.

Canyon is 3-2-1 for the season with wins over Phillips,

UTA Passing Threat Faces Hungry Buffs

West Texas State University's Buffaloes, attempting to push their season record above the .500 mark, tackle the offensive-minded University of Texas at Arlington Rebels Saturday evening.

The Buffaloes, who have given up 1,043 passing yards through six games, face another good passer in the Rebels' Ronnie Faulkner in the game at Arlington.

Faulkner, a 6-3 senior from Wichita Falls, has completed 66 of 142 passes for 1,054 yards and six touchdowns. Eleven of his passes have been intercepted.

He has four principal targets for his passes in Danny Griffin, Mark Lowery, Mike Buchanan and Ronny Lucas. Griffin and Lowery have 12 receptions each, while Buchanan and Lucas have each caught 11 throws.

Tailback Marc Griffin leads the club in rushing with 300 yards and Griffin has 277 rushing yards.

Arlington has one of the nation's standout kickers in Skipper Butler, who holds two national collegiate kicking re-

records. His 40 career field goals is a record and he has kicked for 213 career points.

This season Butler has 14 of 14 points after touchdown and seven of 15 field goal efforts true. He has also a 42.1-yard per average on punts. The 195-pound senior has a 60-yard field goal to his credit and has kicked them as long as 65 yards in practice. His other long field goals in games are for 54, 53 and 51 yards.

Arlington carries a 4-2 mark into Saturday's clash, while the Buffs stand 3-3. Against common foes the teams are near equal, with West Texas holding the edge.

San Diego State defeated West Texas, 24-14, and Arlington, 27-10. The Buffaloes edged New Mexico State, 17-16, while Arlington fell to the Aggies, 16-7.

The Buffaloes of coach Joe Kerbel have a balanced attack between running and passing. Duane Thomas paces the ground game with 525 yards and half-back Olan Thompson has added 384 yards.

Clarence Redic has completed 50 of 82 passes for 590 yards. In addition he has rushed for 193 yards. The Rebels will pose a big threat for Redic's passes as they have picked off 20 opponent passes thus far this season.

Hinton Says He'll Run If Dowlen Seeks Office

If Randall County Dist. Atty. George Dowlen decides not to seek re-election, his assistant, Michael J. Hinton, will run for the prosecutor's office.

Hinton announced his intentions this week.

Dowlen, who has served in the post seven years, announced last week he may seek election to the 175th legislative district seat now held by Rep. Tom Christian of Claude.

The assistant district attorney, who has served in Randall County more than a year, said that "in the event George Dowlen does run for the legislature, it is definitely my intention to run for the office of criminal district attorney in the Democratic primary."

Hinton said, however, "I would withdraw this announced intention in the event that Mr. Dowlen, whom I admire as a fine lawyer and prosecutor as well as a close friend, decided that he could not run for another political office."

Dowlen, a Canyon native, said last week he has not yet definitely decided to seek the legislative office but he indicated several persons are trying to persuade him to do so. Speculating on what he would do about hiring an assistant if

Many Rays, Chaplain Wins

Robert Ray Henry formerly of Canyon was stunned during the week end with a "would you believe it," according to his mother, Mrs. R. Crews Henry of Canyon.

It seems that Robert Ray worked during the summer of 1968 as a student counselor at Huntsville state penitentiary and last week end had an appointment with a Chaplain Johnston at the penitentiary. He was planning to keep the appointment while in Huntsville to see the prison rodeo.

Meanwhile, Chaplain

Johnston needed to be out of town and could not keep the appointment so he decided to get in touch with Robert Ray Henry, who presently lives in Fort Worth.

Having forgotten Robert Ray Henry's last name, Chaplain Johnston gave the telephone operator the name Robert Ray in Fort Worth and she in turn connected the

chaplain with the residence of Robert Ray, whom Robert Ray Henry and his wife, Maggie just happened to be paying a social call at the time of the phone call.

Goblin Funtime Carnival Tonite

Ghosts, goblins and ghouls of all ages are invited downtown tonight, Thursday, to participate in the Halloween Carnival.

The carnival, from 7-10 p.m., will have booths set up in both the old West Texas State Bank building on the west side of the courthouse square and in the Bellah's Grocery Building on the south side of the square.

Aside from carnival booths, a "Halloween Queen" will be crowned at 10 p.m. The carnival is sponsored annually by the Canyon Study Club.

Halloween queen will be selected through a penny-a-vote contest. Each queen's candidate will be representing a club sponsored booth at the carnival.

Vying for the queen's honors will be Janna Johnson representing the Tierra Blanca chapter of National Secretaries Association; Cindy Stoker of the Sue Hite Club; Terri Donovan of Alpha Delta Pi alumnae; Karen Winn of the Canyon Country Club; Sharon Triplett for Heritage Women's Club; Candy

Carpenter for the Kiwanis Club; Melissa Hicks for the Lions Club; Jan Skerrenberg for the Chi Omega alumnae sorority; Kim Darden for the Welcome Wagon Club; and Emily Davis for the Canyon Rotary Club.

Proceeds raised by club sponsoring booths in the carnival will go to numerous community betterment projects. The sponsoring club, Canyon Study Club, will charge rental on booth space for sponsoring and arranging the event.

A "costume contest" for all those out at the carnival will be sponsored and judged by the Tierra Blanca chapter of National Secretaries Association. Entries will be in pre-school through 5 years; 6 through 9 years; and 10 and up. Entry

fee will be 25 cents. Registrations for the contest should be made early in the evening with the Secretaries group which will be sponsoring a popcorn ball sale in the Bellah's building. Prizes will be given for first, second and third place in each age division.

GUEST: 9380. . . This little point in among those who will be out humping the "goblins" on Friday night and residents are reminded to drive with caution as the ghouls, goblins and ghouls make their rounds of the city. Youngsters will clothe out in the city tonight, Thursday for the Halloween Carnival. FROM THE
CANYON RIM

Mike Hinton says he'll make the race for district attorney if his boss, George Dowlen, decides not to run.

George stuck his toe in the legislative water last week just to test the temperature. I think that if he jumps in he's going to find a hot.

Tom Christian is a freshman representative and although a Republican he rates high with his fellow legislators, including those on the Democratic side of the aisle.

Even Governor Preston Smith, titular head of the state's Democratic Party, has had some kind words to say about the young legislator from Claude.

Tom is a member of a pioneer Armstrong County family and has relatives scattered over the entire 17th Legislative District.

His grandmother lives here in Canyon and Tom's sister is a daughter-in-law of Dr. and Mrs. James P. Cornette of West Texas.

as State University.

Tom will be a tough one to beat but then Dowlen may feel he has served his apprenticeship as DA and needs to move on to bigger things.

Hinton is waiting in the wings just itching to don the prosecutor's mantle. Hinton as assistant DA carries his share of the load in the court room already.

Mike takes his role as defender of the people seriously and is given to picturesque rhetoric in front of a jury. Hearing him make the closing remarks for the state in a criminal case Tuesday took me back 20 years to my cub reporter days in the heyday of Dusty Miller.

I personally like to see a lawyer put his heart into a speech for a jury. I remember Colonel Simpson, a well known Amarillo barrister, once knelt and delivered his summation with tears streaming down his cheeks.

It is my guess that Meloy Abraham of Canadian will be the Republican in the state senatorial race this year.

Orlie is holding off until Senator Grady Hazlewood makes his move. If I may have an educated guess, I'll venture that the Old Gray Fox of Canyon is done with the Senate and will announce that fact shortly before or just after the first of the year.

Hudson Moyer hasn't said a word yet but I'm going to guess that he is afflicted with the senatorial itch and when Hazlewood

announces his intention the Moyer hat may go into the ring.

Max Sherman's another name that keeps popping up in state senatorial speculation.

Wales Madden teetered on the brink of running but Wales is a very busy man. In my opinion, if Wales would have taken the job he would have made us an excellent state senator from the very day he arrived in Austin.

From where I sit it seems to me that Sherman may have an inside track if he decides to run.

I've heard Dee Miller's name mentioned a half dozen times lately in connection with this race or that. I haven't got any clarification as to what race he's interested in but the latest rumor says legislative.

The people of Amarillo and the Panhandle could do a lot worse than have Dee in the legislature.

Miller, if you remember, is the young attorney who ran for Congress against Bob Price about four years ago.

The latest rumor on the gubernatorial race is that Senator John Tower may make a bid to put a Republican into the state house.

Tower could make the race without jeopardizing his seat in the US senate since his senate term does not expire until 1972.

I find this rumor of rather doubtful veracity, however. If such party heavyweights as Lt. Gov. Ben Barnes are leery of squaring off with Governor Smith in the May primary, I find it hard to believe that such an entrenched senator as John Tower would risk his prestige by going up against him in the general election.

Preston Smith is a first term governor and Texas seldom denies a governor a second term. And besides that the giddy governor from Lubbock has won the grudging admiration even of many who don't like him personally.

In my opinion Preston Smith is unbeatable next year either in the primary or in the general election and that's no matter who runs against him.

BY ANN BROWN

There is still a vast host of Americans with enough wisdom and vision to see the constant crumbling of our national morals and powers for what it really is: the erosion of a once-proud and mighty empire.

American oil, gas, and sugar industries have been seized with impunity.

Cheap politicians have forced our mighty army to pull its punches while the number of men slaughtered and maimed by two pip-squeak Asian countries approaches the total fallen in all other foreign wars since the birth of our nation.

The foolish unilateral withdrawal being advocated by the peace-at-any-price people, the meek acceptance of the pirating of our ships and planes and the torture and murder of the hapless captives, and the shameful peacenik demonstrations of Oct. 15 are the same kind of appeasements that Britain sacrificed to Hitler.

The vital difference is that the United States went over and res-

cued John Bull, but there is no one to rescue Uncle Sam.

A few well-placed bombs on our communist marauders would save thousands of American lives, renew respect for the U.S., and halt the erosion of our nation.

Oh it's criminal to suggest dropping bombs on the military and industrial targets of our enemies, but it is no crime at all to draft our sons into a war where they are not even allowed to protect themselves, and then not lift a finger to rescue them when they are captured by fiendish savages who starve, torture, and murder them.

Just why should the lives and fortunes of loyal Americans be of less value in the eyes of our government than the lives and fortunes of our most vicious enemies?

If we could find the answer to that question, perhaps we could learn why the persons and property of decent, law-abiding Americans are of less value in the eyes of our courts than the "rights" of the rebellious rabble that is tearing our nation apart and burning it down.

And while we are searching for answers in our distorted value system, perhaps someone can find out why even confessed murderers, rapists, robbers, and thieves are considered innocent until proven guilty, and are provided with free legal counsel to defend them against their victims, while honest citizens accused of evading their income tax are considered guilty until proven innocent, and must pay for their own legal counsel.

And can anyone explain why the laws should be liberalized against a poison that is destroying American youngsters by the thousands from all walks of life?

ment of Health, Education and welfare recommends legal leniency on users of marijuana. He recognizes that it has no medicinal value, and that it constitutes a potential danger to the user and his contacts, but says there is no evidence that it leads to the use of more dangerous drugs.

Dr. Egeberg concedes, however, that he is talking about relatively short term use of marijuana. He said, "We simply do not know the effects of this drug over relatively long periods of use." Did it ever occur to Dr. Egeberg why we have not been able to observe the effects of this drug over long periods of use?

Any college teacher who has observed a bright, well-

groomed, polite, cooperative student turn into a dull, slovenly, impudent rebel in one semester could enlighten the good doctor. Marijuana destroys the user's initiative so completely that he cannot make the simplest decision.

Decisions to go to bed, get up, take a bath, dress, eat, or go to class require more will power than he can muster. The

victim is forced to go on to stronger drugs to make life bearable, or else quit dope entirely.

Our only hope to stop the erosion of our Nation is for the silent majority of decent Americans to sound the alarm for God and Country. And it will not suffice merely to decry evil; we must develop that which is good.

WT Opera Shows Casting Announced By Department

Casting has been made for two one-act comic operas, sung in English, which will be presented November 19-22 under the sponsorship of the West Texas State University opera workshop.

"Amelia Goes To The Ball" by Gian Carlo Menotti and "Gianni Schicchi" by Giacomo Puccini will be presented in four performances with curtaintime on each performance at 8:15 p.m. in the Branding Iron Theatre.

Tickets are available now by mail order from Amelia and Schicchi, Box 275, WT Station, Canyon, Texas. Tickets are \$2.50 for adults, \$1.50 for public school students and children, and WT students with ID cards will be admitted free. The box office will open November 17.

"Gianni Schicchi" is set in the bedchamber of Buoso Donati's house in Florence Italy, 1299 A.D. Donati has died and left his considerable estate to charity despite grasping relatives.

Playing the baritone lead of Gianni Schicchi is Stephen Hunter. Others in the cast are Linda Davis as Lauretta, his daughter; and grasping relatives including Rinuccio played by Jerry McCoy, Zita played by Sharon Kerbel, Betto played by Terry Trice, Simone played by Mike Wilson, Marco played by Doug McCause, Ciesca played by Mary Inman, Gherardo played by Stephen Hilton, Nella played by Alicia Boone and Gherardino played by Royal R. Brantley.

Others cast in "Gianni Schicchi" are Gary Endsley as Master Spineluccio, the physician; Johnny Johnson as Master Amantio the lawyer; Myles Medcalf as Pinellino the witness and mortician; and David Schuette as Guccio, the witness and tailor.

The second opera "Amelia Goes To the Ball" is a 50-minute, one-act set in a great European city at the beginning of the century. It centers in the boudoir of a young society matron on the night of the first great ball of the season. As Amelia is dressing for the ball, with her maids fluttering about frantically getting her ready, her husband storms into the boudoir with a letter he has found from her lover.

Playing the soprano lead of Amelia is Lyn Sharman. Her husband is baritone Chris Munn and her lover, Rene Clemente, is a tenor. Others in the cast are Margaret Hathaway as her friend, Jerry Richardson as the

Highland Home Demonstration Club met last Wednesday in the Siegfried Bolte home at 10 a.m. for a quilting party and luncheon.

Club members completed quilting a quilt to be sent to Grilstone and will make another quilt for the girl's home on November 12 when they get together at 10 a.m. in the Boyd Elliott home. A luncheon is planned for the next meeting also.

Mrs. Clarence Howard, president, was in charge of a brief business session and called for annual reports by club members on projects completed during the year.

Present were Mesdames Clarence Howard, Jones Hales, Siegfried Bolte, Ervin Podzemny, Boyd Elliott and a guest, Mrs. Frank Begert.

Methodists Begin Series For Evenings

A special program for families of the First United Methodist Church will begin with evening worship at the church on Sunday, November 2.

Classes are being arranged for a nursery (child care); kindergarten, Mrs. J.D. Strickland and Mrs. Harold Dillehay; Elementary I, II and III, Mrs. Don Sheffy and Mrs. John O'Conner; Elementary IV, V and VI, Mrs. Walter Cranmer and Mrs. Delbert Thomas.

Regular evening youth fellowship programs will be held for junior and senior high students.

In addition three adult classes are being arranged to include "Understanding The Bible" by Dr. Cecil Matthews, "Being Christian in a New Day" by Rev. J. Frank Peery, and "The Methodist Church" (history-structure and new discipline) by Dr. Hubert Thomson and Tom Voss. Adults are requested to register for the group study of their choice, at the education office.

Evening programs begin at 6 p.m. with a snack time preceding at 5:30 p.m.

The special classes will be followed by a brief worship service in the sanctuary at 7 p.m.

Speaker for the evening worship will be Dr. Kenneth Laycock and Clark Mires will preside as leader.

MRS. ROBERT ELTON CARAWAY

Miss Cox-Caraway Pledge Nuptials

Miss Mary Ann Cox and Robert Eldon Caraway exchanged double ring marriage vows Saturday morning at ten o'clock in the home of the bride's parents, Mr. and Mrs. Walter Cox.

The bridegroom is the son of Mr. and Mrs. J. B. Caraway of Dawn.

Officiating at the nuptial exchange was Bob Wear, minister of the Crescent Street Church of Christ in Littlefield.

Given in marriage by her father, the bride wore a white vel-

vet streetlength dress with a headpiece of flowers holding a veil of white illusion. She carried pink carnations and white pompon mums atop a Bible, borrowed from her sister.

The bride's sister, Pat Cox, served as maid of honor. She wore a streetlength dusty rose velvet dress with a light pink headpiece and carried white carnations.

Bridesmaid was Alice Ann Caraway of Dawn. She wore a

streetlength dusty rose velvet dress with light pink headpiece and white carnations.

James E. Cabe of Canyon was best man and Bill Caraway of Dawn, brother of the bridegroom, was groomsmen.

The home of the bride's parents was decorated with a table centerpiece of white pompon mums and pink carnations for the occasion and the reception honoring the couple was held in the home immediately following the nuptial exchange.

Relatives and close friends of the couple were in attendance.

For a wedding trip to Red River, New Mexico, the bride changed to a dusty rose velvet suit and white blouse.

The couple will establish their home in Killeen, Texas.

YOUNG WOMEN'S ASSOCIATION of the First Baptist Church, college level, includes (top photo) the officers in floor, Celinda Chism, vice president, left, and Frances Hampton, musician. In back, from left, are Kathryn Harris, president; Mrs. Jack Jones, leader; Judy Sykes, secre-

tary; Judith McClaran, activity chairman; Ann Aleman, missions chairman; and Mrs. Orrell Vise, director. Not pictured is Mrs. Jack Williams, leader. In bottom photo, other members of the organization from left are Charlene Houk, Genie Knighton, Jo Priddy and Jean Farmer.

Welcome Wagon Slates Coffee

An informal coffee for members of the Welcome Wagon Club and newcomers to the community will be held Thursday, November 6, from 1:30 to 3:30 p.m. in the home of Mrs. Vaughn Nelson, 1407 Creekmore.

A nursery service will be provided for those desiring it. The cost per child will be about 25 cents per hour per child, depending on the number using the service.

Those planning to attend

should contact Mrs. L.S. Followell, 655-4258 or 655-3676 or Marcia Durden, Welcome Wagon hostess, at 655-3228.

At a recent meeting in the home of Mrs. Durden, the club made plans for a booth at the Canyon Study Club Carnival to be held tonight.

The WW Club will sponsor a "dutch luncheon" in the Gold Room of the east dining hall at West Texas State University at 12 noon on Thursday, November 13. A nursery service will be provided and reservations must be confirmed by November 10 with Mrs. Lewis Blaylock, 655-4253 or 655-7844, or Mrs. Jeffe Moses at 655-2439, or Mrs. Durden, 655-3228.

All newcomers are invited to attend any of the Welcome Wagon Club meetings at any time, according to Mrs. Durden. She explained that "all were newcomers at one time" and those not contacted should feel free to inquire about the club and attend.

Senior Citizen Fellowship Set

A fellowship meeting for all senior citizens of any denomination will be held Thursday afternoon, November 6, from 3-5 p.m. in fellowship hall of the First United Methodist Church.

The senior citizen group will discuss and make plans for future meetings at this first session. In addition, the program will include devotionals, singing, refreshments and visitation.

Those who may need transportation are asked to contact the church office, 655-3540.

Jaycee-Ettes Sponsor Tea And Home Tour

Happy Jaycee-Ettes will sponsor an annual "tasting tea" and bake sale in conjunction with a home tour on November 7.

The tea, from 3-5 p.m., will be in the home of Mrs. M. L. McFarland and the bake sale will be at the home of Mrs. Forrest Vise.

Tickets will be \$1, available from all Happy Jaycee-Ettes, and a door prize will be given according to chairman, Dottie Foster.

Marriage Planned

Col. and Mrs. H.L. Calder of Dallas, formerly of Canyon, announce the engagement and approaching marriage of their daughter, Pamela Jean of Houston, to Billie A. Francis Jr. of Houston.

Miss Calder and her parents lived in Canyon from 1962 to 1968. She is a 1964 graduate of Canyon High School and a 1968 graduate of West Texas State University.

The marriage is set for Jan. 1, in Lakewood Methodist Church in Dallas.

Her fiancé, son of Mr. and Mrs. Billie A. Francis of Houston, is a 1969 graduate of West Texas State University. He was a member of Alpha Tau Omega social fraternity.

Miss Calder was a member of Zeta Tau Alpha social sorority.

MRS. JOHN J. SIMS, JR.

Miss Jones Weds Sims In Nuptial Ceremony

Miss Mary Kay Jones and John J. Sims, Jr. were united in marriage October 18 at the Southside Church of Christ in

Amarillo with Rev. John D. McCourt officiating at the exchange of double ring vows.

The bride is the daughter of Mr. and Mrs. L. D. Jones of Amarillo. The bridegroom's parents are Mrs. Geraldine Sims of Canyon and John J. Sims of Odessa.

A mixed choir furnished music for the occasion including arrangements of "Because" and the traditional wedding march. Decorations featured lighted tapers and ivy. Frances Jordan and John Jordan, niece and nephew of the bride, lighted the tapers.

Mrs. Jerry Adkins of Wichita Falls was matron of honor. Bridesmaids were Miss Karen Nix and Miss Lee Ann Jordan, niece of the bride. They wore identical dresses of aquacree featuring empire waistlines. The floorlength dresses were accented with a carried bouquet of aqua daisies.

Angie Rush was flower girl. She was dressed similar to the bride attendants and carried a basket of aqua daisies. The nephew of the bridegroom, Kyle Hawkins, served as ringbearer.

Richard Wakefield of Big Sandy, Texas was best man. Groomsman were Tom Malise of Odessa and Richard Whitaker of Amarillo. Ushering was Larry Jordan.

Given in marriage by her father, the bride wore a formal gown of white bridal satin featuring an empire waistline accented with Swedish lace. The dress featured a chapel train and she carried a bouquet of

white roses.

Fellowship hall of the church was the site for the wedding reception after which the couple departed on a wedding trip to Durango, Colorado. The bride wore a red knit pants suit with white accessories for travel.

A graduate of Tascosa High School, the bride graduated from St. Anthony's School of Nursing and is a nurse at Northwest Texas Hospital psychiatric pavilion.

The bridegroom graduated from San Marcos Military Academy and attended Trinity University. He graduated from West Texas State University and did research work at the Kilgore Research Center. He is presently awaiting orders from the United States Navy.

Following the rehearsal, members of the wedding party were entertained in the home of the bridegroom's mother.

The ceremony was preceded with bridal showers for the couple given by Jean Isley and John Blythe.

TOPs Club Is Tonight

Can-Do TOPs Club will meet tonight, Thursday, at 7:30 o'clock for a roundtable discussion at the West Texas State Bank lobby.

Guests are invited to attend the meeting. The club is designed as a sensible approach to weight reduction and members have a "weigh-in" weekly at meetings.

MRS. CLYDE WARWICK, left, author of a historical book on Randall County, was honored Sunday with a publication tea in the home of Dr. and Mrs. James P. Cornette. Mrs. Glenna

Wilson, right, illustrator of the book, was among those included in the houseparty at the event.

Publication Tea Honors Mrs. Warwick

A publication tea honoring Mrs. Clyde Warwick on the publication of her historical book "The Story of Randall County, 1541-1910" was given Sunday from 3-5 p.m. in the home of Dr. and Mrs. James P. Cornette, president of West Texas State University.

Receiving guests were Mrs. Warwick and Dr. and Mrs. Cornette. Assisting in receiving were Mr. and Mrs. Arthur C. Haley, Jr., Mr. and Mrs.

Gerald Warwick, Miss Loula Grace Erdman of Amarillo and Mrs. Lee Reeves.

Over 200 were registered in the guest book. Presiding at the registration table during the afternoon were Mrs. Warwick's granddaughters, Ann Warwick, Rebecca Haley and Sandra Warwick.

The tea table was laid with a white cloth and centered with a bouquet of yellow roses. Serv-

ing at the table for the occasion were Mrs. Glenna Wilson, illustrator of the book, Dorothy Neblett, Miss Pauline Brigham and Mrs. Margaret Harper.

Floral gifts to the honoree also decorated the Cornettes' home for the occasion.

Among out-of-town guests for the event were Dennis Haley of Austin, grandson of Mrs. Warwick, and his fiancé, Miss Sheri McIlroy of Dallas.

DOLLS FROM NATIONS across the sea decorated the table for refreshments at the Sue Hite Club meeting at the First Presbyterian Church. Mrs. Fred Stoker, club member, was guest speaker on the program as she discussed and showed slides on a trip to Europe Monday.

Cake Decorating Program Slated

A special interest program on "cake decorating" will be held Monday, November 10, at 2 p.m. in the Farm Bureau Building in Canyon.

Mrs. Margaret Tucek, who specialized in party-cake de-

corating, will present the program.

Sponsored by the Randall County Home Demonstration Council, the program is open to the general public and all residents are invited.

Home Demonstration Club Activities Reported At Meet

Randall County Home Demonstration Council held a regular monthly meeting Monday afternoon in the Farm Bureau Building with Mrs. H. H. Widick, chairman, presiding as annual presidential reports to council were given.

Club presidents from county HD clubs reported to the council on sewing, canning and preservation of food done by members during the year. They also reported on club membership and attendance and discussed projects of their clubs and programs which had been presented

for their individual clubs during the past year.

Among highlights of the year were a \$100 profit made by one member from sale of turnips from a garden patch and the baking and selling of over 150 green apple pies during the summer by another member.

The meeting was a roundtable discussion and also included a discussion by yearbook chairman, Mrs. Lewis Tucek.

Mrs. Becky Hall, HD agent, gave the 4-H committee report announcing that the annual 4-H awards program will be this month followed by the district

Gold Star 4-H banquet in Amarillo in mid-November. She also reported that one 4-H girl, Mary Ann Boehning, is presently working on the "make it with wool" contest.

She announced that a new 4-H club has been formed in the Jewell Community and interest has been shown for an additional 4-H Club to be formed in the northwest section of the county. She encouraged council members and home demonstration women to become involved and interested in work with 4-H youth through adult leadership.

About 20 council members

and guests were present for Monday's meeting as the council set December 8 for the county-wide home demonstration Christmas tea. The time and place will be announced later.

Upcoming for home demonstration women, according to the council meeting, are a November 10 "cake decorating" demonstration by Mrs. Lewis Tucek. The program, sponsored by council, will be open to the public and is set for 2 p.m. that date in the Farm Bureau Building.

Also slated under council sponsorship is a fashion program November 24 to be presented by Helen Wright. The program, incorporating 4-H students and home economics students of the schools, will be held at 9:30 a.m. that date in the Canyon High School auditorium.

During the meeting, Mrs. Becky Hall, HD agent, spoke to the council representatives and presidents briefly on "membership" and plans for involving interested women in home demonstration work and club meetings. She also emphasized that her job as county home

Rodeo Topic For Happy's Woman Club

"International Rodeo" was the theme for the meeting last Tuesday of the Woman's Study Club in Happy.

Mrs. Henry Ratjen led the program as chairman. Taking parts on the program were Mrs. Bob McDonald who told of the "rodeo in down under land"; Mrs. Simon Elliott who gave "Mexico - Ride Him, Cowboy"; and Mrs. Ratjen who told of the universal appeal of the rodeo in cattle country. Pictures and brochures depicting rodeos were shown to the group.

Roll call was answered with "an international sport event" by 20 members and a guest, Mrs. Myrtle Barnes of Oklahoma. Mrs. Leo Uselding was welcomed as a new club member.

Hostesses for the day were Mrs. Clayton Devin and Mrs. Gene Johnson.

The social hour also included the rodeo atmosphere and was carried out in a concession stand type of serving as each member ordered her refreshments from a large printed menu which stated that these items were available: hot dogs, chiliburgers, tuna sandwiches, coffee, cokes, etc.

Next meeting for the club will be November 4 in the home of Mrs. Eugene Sims.

Secretaries Have Bailments

The National Secretaries Association met in their regular meeting Thursday, October 23, 1969, with fifteen members present.

Ruth Hill and Ruth Lassiter served as hostesses.

Stanley Carruth, Canyon attorney, presented the program on Business Law - Bailments and how they affect us daily. He gave several examples of leaving your coat at a cleaners, and it is delivered to the

wrong person; checking your coat or hat at a restaurant and it is taken by someone else; or parking your car on a parking lot and returning to find it damaged. He discussed the liability of the Bailee and the Bailor and what you would do to recover your damages. After his presentation, a general discussion was held by the group.

Refreshments were served and a short business meeting

followed. Each member was asked to be at Bellah's building tonight Thursday, at 7:00 to work in their booth at the Halloween Carnival. The secretaries have the costume judging booth and will be selling popcorn balls and bubble gum.

Next meeting to be held by NSA will be a tour through the Holly Sugar Plant at Hereford, Texas, followed by a luncheon that will be hosted by the Hereford members. This meeting will be on Saturday, November 22, 1969.

AAUW Meets Saturday

"What Comprises The Academic Community" will be the subject of a panel program for Saturday's meeting of the Canyon chapter of the American Association of University Women.

Meeting in the home of Eunice Haggard, 2416 Seventh Avenue, the panel will be moderated by Mrs. Carol Crain.

The meeting begins at 2 p.m. and co-hostesses will be Mesdames Jo Lee, Donna Wilson, Janice Schmutzer and Earline Moreman.

One of the greatest things I got out of the SMS was the fact that I learned how to schedule meetings with my department heads and from these come some very stimulating, creative thinking sessions. From this has evolved some new ideas on how to eliminate mistakes and bottlenecks. I also have learned how to do more creative thinking personally and come up with the best idea on how to solve a problem immediately.

In the wholesale business that I operate you can rest assured that the problem solving technique that I learned in the Dale Carnegie Supervision and Management Seminar was worth the price in itself.

Bob LaRoche
President
Professional Beauty Products, Inc.

Since attending your seminar and passing on to my people some of my findings, I think we all have a better attitude toward each other and the company and are doing things to get there.

Last fiscal year (Dec. 1, 1967 thru Nov. 30, 1968) we sold and built \$2,740,000.00 of buildings. With less than three months of our present year gone we already have over two million dollars in sales and we have a lot more prospects looking real good. I would highly recommend your Management Course.

Members attending the meeting were Mrs. A.L. Williams, Mrs. Joe Loven, Jr., Mrs. Jai-rel Moore, Mrs. Charles Hooker, Mrs. Gene Webb, Mrs. C.E. Lyle, Mrs. Phil Booth, and hostess, Mrs. Onnie L. Atkinson.

The next meeting is scheduled to take place November 13th at the home of Mrs. A.L. Williams at 1:00 p.m.

demonstration agent is to demonstrate and educate people in better family life throughout the community.

Mrs. Hall also discussed and distributed sample installation ceremonies to be used by the clubs as they install their new officers in January.

A special discussion of the meeting was devoted to planning for a council memorial honoring the late Mrs. R. A. Hodges.

Council members voted down the council-sponsored Christmas bazaar and bake sale project.

The meeting was concluded with a THDA scholarship quiz directed by Mrs. Allen Downing. The scholarships (3 for \$500 each) are available to Texas 4-H youths and those interested in applying for the scholarships should contact Mrs. Downing for eligibility requirements.

The Supervision and Management Seminar was created and developed over a ten-year span to answer the need for a more efficient system of manager/education... a need which grows more intense as the executive shortage increases and recruitment of good men becomes more difficult.

Results have been effectively utilized by both newly-hired executives and those with long experience in the company's operations. The Seminar offers any firm better direction and control of its human resources in the job of reaching specific short-range and long-range goals.

Librarian Elected To TAIR

Mrs. Hazel Sunderman was elected first vice president of the Texas Association for the Improvement of Reading in San Antonio last week.

Mrs. Sunderman is librarian at Canyon Junior High School. She will automatically become president of the 12,000 member state organization in 1971.

The first meeting of TAIR was held on the campus of Sul Ross State College at Alpine in 1948. As concern developed over the state for improvement in the teaching of reading, other regional conferences were formed.

Now annual meetings are held in twelve strategically located areas over the state. The sum-

mer reading conference at WTSU is among the regional meetings sponsored by TAIR. Familiarizing teachers with linguistic concepts and exploring ways of handling learning disabilities have been among the notable contributions made by TAIR to education in Texas. Within the last two years the organization has developed a

plan for certifying reading teachers which will be recommended to the state.

Attending the executive board meeting in San Antonio with Mrs. Sunderman were Mrs. Frances Halter of Amarillo, vice president of the local area conference, and Dr. Ruth Lowes, representative from West Texas State University.

Mr. Gazzaway was born in

Dalton, Georgia May 25, 1896. He married the former Rachel Davis December 20, 1900 in Seale, Texas. He was postmaster at Seale, Texas and owned a general store, service station and motel in Seale until moving to Happy in 1925 where he farmed until moving to Canyon in 1965.

He died October 26 at a Tulsa rest home.

Survivors include his wife, Rachel; four daughters, Mrs. R. V. (Ruth) Pennington, Mrs. Jack (Eva) Barnard, Mrs. G. L. (Edith) Davis and Mrs. H. B. (Dorothy) Owen, all of Canyon; one son, G. R. of Tulsa; two sisters, Mrs. Etta Johnson of Houston and Mrs. Clara Mason of El Paso; 30 grandchildren and 41 great grandchildren.

He was preceded in death by five sons, three of whom have died during 1969.

Conference Is Planned

An "identity conference" will be held November 7-9 at the Ceta Canyon Methodist Camp with university students invited.

Four representatives of the First Christian Church, along with the minister Rev. Ivan Adams, attended a week-end conference of students and campus ministers last week end in Amarillo making preparations for the conference.

Cost of the two-day retreat will be \$12. Registration forms are available from John and Carolyn Hoyle.

DZs Active Group Here

Woman of the year for Delta Zeta sorority has been announced by the National Council of Delta Zeta.

Recognized with the honor was Mrs. Arthur Carling Toner, Jr., who is best known for her contribution and participation in international amateur sports. Highlight of her association with the Olympic Women's Swimming team was the year she was manager and chaperone of the United States Championship team in Melbourne, Australia.

Delta Zeta national sorority has a collegiate level of 177 chapters and one colony in colleges and universities across the country in addition to 291 alumnae chapters in many cities and towns.

The Zeta Zeta chapter of Delta Zeta at West Texas State University has a membership of 40 and 15 fall pledges and is led by Beth Sheffy, college chapter president.

With a current membership of 51, the alumnae Delta Zeta chapter in Canyon is directed by Mattie Moreland, president.

LaGrone Funeral Chapel

1702 5th AVE CANYON

Dear friends,

Punctuality is of prime importance in a funeral service. This essential respect is due the deceased. The service should start promptly at the hour set.

We have always had cooperation from the clergy, musicians, and others identified with the service. Families, too, are invariably ready when our cars call.

Promptness helps to provide a respectful, dignified, funeral service.

Respectfully,

Jerry N. LaGrone

September Bond Sales At \$19,800.

The sale of United States Savings Bonds and Freedom Shares during the month of September totaled \$19,880.00 in Randall County, according to an announcement from William E. Adams, chairman of the Randall County Savings Bonds Committee.

Sales for the nine-month period were \$164,805.00 which is 82 percent of the county's goal of \$200,000.00.

An increase of 7 percent was noted in Texas for September with \$14,480,583 this year in comparison with \$13,508,678 in September 1968. The state has sales of \$134,118,669 or 78.8 percent of the state's goal of \$170.1 million.

Across the nation, September investments of Bonds and Freedom Shares totaled \$351 million. Sales for the nine-month period were \$3.6 billion or 74.6 percent of the national goal of \$4,861,800,000.

Kick-off Dinner For Methodists

A kick-off dinner for the fund for reconciliation of the First United Methodist Church of Canyon will be held Wednesday at 7 p.m.

Following the covered dish supper, the program will be presented by the Bellringers of the First United Methodist Church of Hereford.

The fund for reconciliation is the voluntary support of projects chosen by a conference committee from applications submitted. Half of the amount raised here will remain with the local conference for use here and the other half will be sent to the general committee for use on nationwide projects.

Local conference projects include the Inner City Kindergarten at Lubbock, Wesley Center in Amarillo, and the International Relations Program for students attending Texas Tech from other countries.

C. Flowers To Return

Rambling North

BY JOAN FOWLKES

Mrs. C. O. Hillman and her daughter, Jo Beth were in Lubbock last weekend to visit with her mother, Mrs. D. W. Scott who is a patient in the Lake-side Convalescent home.

While there, they stayed with Mrs. Hillman's sister and husband, Mr. and Mrs. Kilmer Corbin. Another sister was there from Albuquerque, New Mexico, Mrs. Loyd Ford and her daughters, Jan and Cecilia.

Mrs. L. R. Pete Baker attended the Parent Teachers Association Leadership Course in Amarillo at the School Administration Building, October 23.

The course is available for all members of the executive boards of the PTA.

Mrs. Bill Harphas been named as chairman of the Thanksgiving dinner that is planned as a church-wide affair of the Hollywood Baptist Church.

The dinner is to take place on November 22. Individual committees will be named at a later date.

Kenneth Cates celebrated his eight birthday October 25 at the home of his parents, Mr. and Mrs. Roy Cates.

Games were played but they all seemed to end up to be football. A team relay ended as a tie with all guests ending up with prizes.

Refreshments of chocolate cake, ice cream, and punch were served to those attending. They

were Mike Childers, Tim Persall, Kyle Paris, Mark Babb, Larry Brown, Todd Walker, Rex Beck, Chris Betty, Jim Phipps, Jim Hartline, Kendall Young, Allan Freeman, and guest of honor, Kenneth Cates.

Two recent luncheons have been held recently with members of the leadership of the Girl Scouts of the Gene Howe neighborhood.

The first one was a salad luncheon held October 20 at the home of Mrs. L. R. Pete Baker. Leaders discussed the coordination of activities on the Brownie level.

Those attending were Mrs. Jimmy R. Belyeu, Mrs. John L. Byrd, and Mrs. Baker.

The second luncheon took place at Furr's Cafeteria October 23 with Junior level leaders in attendance. A round table discussion was held on the coordination of activities of the Junior Scouts and badge work.

Those attending the meeting were Mrs. Kenneth Pair, Mrs. Randal Owen, Mrs. David Camfield, Mrs. Eddie Carroll, Mrs. Charles Fowlkes, and Mrs. L. R. Pete Baker.

dates of the Hollywood Baptist Church are planning to attend the Associational Youth Rally at the Hillcrest Baptist Church in Amarillo November 8.

Youth from the Hollywood Baptist Church will meet at the church at 6:30 p.m. and go as a group.

Any youth in the area that would like to participate will be welcome to attend.

Visitors in the home of Mr. and Mrs. O. E. Towery are his parents, Mr. and Mrs. O. E. Towery, Sr. who are visiting here from Monroe, Louisiana.

The senior Towerys are expected to be here for about one week.

Again attending a luncheon of the United Fund workers, Mrs. L. R. Pete Baker reports that over 72 percent of the goal has been reached with only two more weeks to go.

The luncheon took place, October 22, at the Howard Johnson's Motor Lodge, East.

A recent visitor in the home of Mr. and Mrs. Charles Fowlkes was a sister of Mrs. Fowlkes, Virginia Mitchell.

Virginia was here from Denver, Colorado to visit with their

father, John F. Mitchell, who died Wednesday at the Veteran's Hospital in Amarillo.

The planning committee of the Executive Board of the Parent Teacher Association of Gene Howe School met Monday afternoon after school to make arrangements and plan the forth-

coming chile supper to be held next month.

Appointments were made from the board to fulfill the various positions necessary for the operation of activities surrounding the supper plans.

This is one of the money making projects that the PTA will have this year.

Eileen Moss Recital Set For Monday

A senior piano recital featuring Eileen Trout Moss will be presented Monday, November 3, in the Fine Arts Theatre at West Texas State University beginning at 4 p.m.

Mrs. Trout is a piano student of George Eason and Bill Evans at the university. She is a member of Mu Phi Epsilon, international professional music sorority, of which she is president. She received the Kathryn Hines

award for performance and is accompanist for the WT Chorale and Chorus.

She is the daughter of Mr. and Mrs. T. O. Trout of Pampa.

The program will include "St. Thomas Wake" Gallardo by John Bull; Fugue in A Minor by J. S. Bach; Five Sketches in Sepia by Ernest Bloch; Romance, Op. 28, No. 2 by Schumann; Scherzo in C# Minor by Chopin

Roundtables For Scouts

Next Thursday, November 6, roundtables are set for Cub Scout and Boy Scout leaders at the First Methodist Church in Canyon.

Theme for the Cub Scout roundtable, at 7:30 p.m., will be "happy holidays".

The Boy Scout leaders roundtable will be at 8:30 p.m. Theme will be "cold weather scouting". Other district events upcoming for the Randall District of the Llano Estacado Council will be a district commissioner staff meeting Tuesday, November 11, at Pioneer Natural Gas Office at 7:30 p.m. and a district

committee meeting at 12 noon, November 20, in the Gold Room of the East Dining Hall at West Texas State University.

Annual business meeting and officer election for the council will be Thursday, November 20, at 6:30 p.m. at Sutphen's Hickory House in Amarillo.

Green House Almost Ready At University

West Texas State's agricultural department will have a fullfledged greenhouse ready for use within approximately two weeks.

Dr. Jim Green and Dr. Ron Thomason will supervise the new \$12,000 facility, which is complete except for electrical wiring, installment of water and gas facilities and a few minor details.

The 2,100 square-foot building will be used for research by both staff members and students as well as to teach agronomy courses to freshmen. "This will be the first real greenhouse we've ever had," Dr. Green said. He said research would be done mainly on plant breeding and horticulture.

The new greenhouse is located north of the Applied Sciences Building and some research projects, which will be completed there are already under way.

TSTA Speaker Here Tuesday

Lee Hicks, a field representative for the Texas State Teachers Association, will be guest speaker for the November 4 meeting of the Randall County unit of the TSTA.

The meeting will be at 4 p.m. in University Complex South, Room 101.

Hicks was a teacher-counselor in the Austin Public Schools for 14 years prior to joining the TSTA as field representative. He is a member of national, state and local professional organizations and is a member of the Student Impact Advisory Committee, and Student National Education Association.

Powder Puff Is Tonight

Annual "powder puff" football game will be played tonight, Thursday, at 8 o'clock in Buffalo Bowl.

Pitting the upperclassmen versus the freshman, the annual girls' football game is sponsored by the women's physical education majors club and all proceeds from tickets go into the Paulette Sullivan memorial fund.

Fraternity cheerleaders will be in charge of halftime entertainment.

Tickets in advance are \$1 for adults and 75 cents for students and are available at the women's physical education office. Tickets at the gate will be \$1.25 for adults and \$1 for students.

Undefeated JV Team Plays Tonite

A clash of undefeated junior varsity football teams is on tap for the Canyon High School Field when the Eagles meet Hereford at 7:30 p.m. tonight.

JV Coach Clark Mires said the Hereford junior varsity is made up predominately of juniors "and they are big."

Most of the Eagle JV team consists of sophomores, but they are quick and aggressive. Through five games the Eagles have given up 12 points while scoring 271.

Hereford is undefeated in junior varsity competition but did drop an 18-17 squeaker to the Hart varsity. Hart is rated second in the region in Class B football.

Junior varsity victims of the Whitefaces include the Amarillo Sandies, Dumas (twice), and Tulsa.

"We won't be able to move the ball against Hereford the way we have against other teams," Mires said. "They're just too big."

Mires said his team would be ready to go tonight regardless of what the weather is like.

Auto Accidents Injure Three

Two separate automobile accidents injured three persons in Randall County Monday night. Both occurred about 8:15 p.m.

Injured in the two collisions were two West Texas State University students and a Plainview woman.

The first accident, according to Bob Maxwell of the Texas Highway Patrol, occurred about 4 miles south of Amarillo on the Canyon Expressway.

Maxwell said a car driven by Kay Kincaid Singer, 40, of Plainview, was southbound on the divided highway. He said apparently the driver tried to make a u-turn in the southbound lane.

Mrs. Singer's vehicle was hit broadside by a semi-trailer truck, which was also southbound and which was driven by Don Winter, 39, of Dell City.

The collision tore the front wheels from under the semi-trailer truck and tore a diesel fuel tank from the side of the truck.

Diesel fuel was spread several yards over the highway and one unit from the Canyon Fire Department was dispatched to the scene.

The accident blocked traffic on the expressway's southbound lane more than two hours Monday night.

Mrs. Singer was taken to Northwest Texas Hospital in Amarillo, where she was treated and released Tuesday.

Winter and a passenger in the truck, Wilbur Cruise, 30, of Moore, Okla., were uninjured. Winter and Cruise were en route from Oklahoma City to El Paso.

No one was traveling with Mrs. Singer.

Two WTSU students were injured, neither seriously, about Calves-Colts Take Losses

The Canyon Buffalo Calves lost 6-0 Sunday to Belmar while the Canyon Colts dropped a 26-8 decision to Whittier.

Both games were played in the rain.

The Colts' only touchdown came on a 5-yard run by Billy Jack Wright.

The Canyon Little Eagles' final game of the season was canceled Sunday because of the rain and they finished with a record of four wins and one loss.

HALLOWEEN QUEEN CANDIDATES, from left, front, Cindy Stoker, Melissa Hicks, Emily Davis, Kim Durden, and Sharon Triplett. Back, from left, Janna Johnson, Candy Carpenter, Karen Winn, Terri Donovan, and not pictured, Jan Sternberg. Eagle Boosters Urged To View Game Friday

About 40 members of the Eagle Booster Club were told by Coach Dunny Goode Tuesday night that if they came to the Buffalo Bowl Friday night they would see the finest passer in the Panhandle area.

He was talking about Dumas quarterback Bobby Laughry, who directed the Demons 57-0 bombardment of Muleshoe last week.

"We hope it's cold, snowing and the wind's blowing," Goode said, "because we know that would hurt them some."

"Dumas will be the largest team we'll play all year. Their offense will outweigh our defense by 19 pounds a man and their defense will outweigh our offense by 14 pounds a man," Goode said the Eagles are not

awed by Dumas, but that much depended on their ability to contain the Demon passing game. "Laughry likes to sprint out

and through he is a running threat, he'd rather throw the ball than run. Dumas throws the ball about three out of five plays."

"We feel if we can stop their throwing, it will be a real good ball game."

Goode said the undefeated junior varsity would also be going against a much larger team when it takes on Hereford's JV tonight at the High School Field.

Hereford's JV is undefeated against junior varsity competition but dropped a 19-18 decision to Hart's varsity. The Shorthorns have beaten the Dumas junior varsity twice and also whipped the Amarillo High School junior varsity by a score of 20-16.

While showing the films of the Eagles' 13-0 loss to Hereford last week, Goode pointed out that on the Whitefaces' second touchdown, a 47-yard run, the Eagles line up wrong allowing the Hereford running back to slant into the end zone untouched.

The Booster Club will resume its 8 p.m. meeting time next Tuesday. The meeting was an hour earlier than usual Tuesday night because of the showing of a film of the 1968 Southwest Conference football highlights.

Jack Barnes, 19, a Perryton sophomore, and Patty Gurley, 18, a Perryton freshman, were westbound in Barnes' vehicle when the youth apparently lost control of the automobile and ran into a barrow ditch.

"To the best of my knowledge, I was going down the highway and looked to one side for a moment, looked back and I was going into the ditch," Barnes said.

Barnes suffered a mouth laceration and doctors reported Miss Gurley suffered minor lacerations and abrasions. She was admitted to Neblett Hospital for observation.

Cold Weather Plagues Crops

Cold, cloudy weather has continued to plague farmers trying to get in their crops this week with just enough moisture falling to keep fields wet and muddy.

By noon Wednesday, downtown Canyon had received .55 inches of moisture since Monday making a total of 3.20 inches since Oct. 20.

The U.S. Weather Bureau forecast some clearing of the dense cloud cover today, but gave no indication of a warming trend as highs were to continue in the mid 40s with nighttime lows in the lower 30s.

Regents Hold First Session

The West Texas State board of regents held its inaugural meeting Friday, electing officers and approving tentative by-laws.

Cloyce K. Box of Dallas was elected chairman, Thomas B. Pickens of Amarillo, vice chairman and B. Ramond Evans of Tulsa, secretary.

The board will meet quarterly with the next meeting set for Jan. 23, 1970.

The first board meeting was held as WT celebrated its 60th anniversary, which culminated in a 17-16 Homecoming victory Saturday by the Buffs over New Mexico State University.

Sue Lust, a 19-year-old student, was crowned Homecoming Queen to reign over the festivities.

PRPC Approves Budget; Canyon's Part Set \$240

The Panhandle Regional Planning Commission adopted Wednesday a tentative budget of just more than \$10,000, of which Canyon will pay about \$240 and Randall County about \$3,000.

Potter County Judge E.H. Foster, chairman of a budget committee, presented the appropriations to the representatives.

The budget figure is based on a three-cent per capita levy for each entity.

Under the plan, Amarillo will pay about \$4,710, and Potter County about \$3,300.

Amarillo City Manager John Stiff noted that upon approval of the budget, the PRPC can apply to the state for matching funds.

Canyon Commissioner Kenneth Olsen asked the PRPC about the possibility of hiring an executive director "to get off on the right foot."

He pointed out that hiring of such a person will be difficult.

Eagles....

(Continued from Page 1) Spearman and Dahlhart, a 0-0 tie with Olton and losses to Hereford and Panhandle.

Coach Goode, who had to drill the Eagles indoors Monday and Tuesday because of the weather, said running backs Robert Bull and Lonnie Moore missed practice because of illness.

He said he didn't believe Eagle spirits were dampened by the loss to Hereford and he expects them to be up for the Demons.

Bufs....

(Continued from Page 1) Texas State ball club in that they're big and strong.

"The only difference is they're not throwing a lot this season."

Bearden said Thomas would be a good threat against the UTA defense.

Rebel Scout Don Easterling said "They won last week with a guy named Duane Thomas. I think he's the best running back we will have faced, great speed, a punishing runner and very, very powerful."

Easterling said the Bufs are "exceptionally tough" defensively inside the 10-yard line.

"They protect that goal line very well and we'll have to score before we get to the 10," he said.

Pond Says

Probation Cases Increasing Here

Woody Pond, Randall County juvenile probation officer, told the county commissioners court Monday that his case load had grown to the point that one man could no longer handle it adequately.

He told the commissioners he needed an assistant and that it would take about \$550 a month to get a qualified man for the job.

Though the issue was tabled until next Monday's meeting, the court indicated it felt something would have to be done to insure that juvenile problems in the county are adequately handled.

County Judge Carroll Brown commented that Pond had done a good job in counseling the parents of juvenile offenders as well as the children, but that a man could only be asked to put so much time into a job.

"Ten or 12 hours a day, that's one thing," the judge said, "but when it starts approaching 24 hours, that's something else."

Judge Brown told the commissioners that Pond could handle a smaller case load and do a very efficient job, or that he could handle an even larger case load than he now has, but spent much less time on each case.

"What you have to decide," the judge told the commissioners, "is how much time and effort should be devoted to the juvenile problem in Randall County. At what point do we need another man?"

Commissioner Bill Butler asked Pond if he had anyone in mind and, if so, was the prospect qualified. Pond said he had three qualified prospects, but needed to let them know soon what Randall County could offer them.

"I think we're going to have to do something, but I think we should wait till Glenn (Dowlen, who was out of town Monday) is here so that the full court can consider it."

Girl Scouts Tea Honor Founder

Girl Scouts of Randall County from all levels, their parents and leaders, attended a special "founder's day" tea honoring Juliette Low, founder of Girl Scouting in the USA.

The tea was held Sunday in the Girl Scout Building at Canyon with 200 present.

Receiving guests at the affair along with Mrs. Charles R. Nester, scout executive, were leaders from all levels of the Girl Scouting program.

It was agreed upon that if an executive director can be hired, he will office in the Amarillo City Hall temporarily.

When various representatives of the PRPC attend the Texas Municipal League annual convention next week in San Antonio, they will talk with possible candidates for the director's job.

Stiff said salary for an executive director would range anywhere from \$10,000 to \$15,000, according to experience and education.

He said an executive director should be educated at least in fields of city planning.

In other business, Leland Nelson, PRPC secretary, was named official group representative to a special governor's meeting today in Austin and to a meeting concerning the Omnibus Crime Bill Friday.

The PRPC acknowledged the reception from the Amarillo City Commission of a resolution recently passed in opposition to gun control legislation pending on a national level.

R.G. Mills, chairman of the

Rape.....

(Continued from Page 1) history of running away from home. Her parents are divorced and as of last May she made her home with a grandmother in Amarillo.

The little girl said after the attack she went to the Palisades home of the Robert Dustmans. She spent the night there with Dusty, the Dustman's teenage daughter, whom she had not met before.

Although the prosecutrix said she told the Dustman girl of the attack, Dusty later testified that this was not true and that the girl had said nothing of such an incident.

Mrs. Dustman also testified that the little girl told several wild tales which the prosecutrix admitted on the witness stand were untrue.

The girl had made an affidavit to the district attorney that she spent the nights of May 24 and 25 in the Tate cabin.

She later admitted that Tate and Davis took her to Amarillo where she spent the night in a boy's bedroom returning to the Palisades the following day.

She ran on May 26 when she was approached by a Randall County deputy while she was being apprehended as a juvenile runaway.

Chamber....

(Continued from Page 1) by local businessmen, the mayor said "experience in other cities has proved that a sales tax does not hurt the retail business in a community."

"A better, safer city will attract people to it. Of the vast majority of purchases made by the public, the amount of the sales tax is so insignificant that it would not discourage people from making the purchase, nor encourage them to buy elsewhere."

Mayor Lindsey reminded the directors that the city commission has definitely voted to lower the ad valorem tax rate at least 15 cents if the sales tax is approved by voters.

Current tax rate is \$1.60 per \$100 evaluation. The ad valorem rate cut would make the rate \$1.45 per \$100 evaluation.

He warned, however, that if the sales tax does not pass, "the city commission will be forced to increase the ad valorem taxes or the minimum water and sewer rate to meet the problems of a growing city."

More municipal funds must come from some source, the mayor said, and "the sales tax is the most fair and practical way of raising the money."

The mayor said he feels Canyon could keep its tax rate at \$1.45 for three or four years--if the sales tax is initiated--and still progress.

Prior to voting to support the sales tax, the directors tossed around several ideas, including whether they should poll chamber members to find their feelings on the tax.

The idea was scrapped, however, and the vote was taken.

In other business, the directors appointed Bill Sternberg, Dr. C.C. Callarman and Jim Christopher as a committee to find a speaker for the annual chamber banquet in January.

An invitation to one of the moon astronauts to speak was turned down.

Directors also voted to give \$110 to Dr. Callarman to finance the printing of 10,000 brochures listing short facts about Canyon and West Texas State University.

commission, said the PRPC membership could vote similarly if it so desired.

J.J. "Jim" Fletcher, a PRPC member and Randall County commissioner, asked the commission about what he termed a "duplication of functions" in regard to action Monday proposing a project to fight narcotics traffic in the two county two city area.

On Monday, Randall, Potter, Amarillo and Canyon officials met in Amarillo to discuss giving Amarillo's Police Department \$20,000 to hire two undercover men.

Fletcher said the PRPC should handle this project, rather than having the same four entities involved under another name.

Mills said he felt the narcotics project so urgent that it couldn't wait for the PRPC to get fully organized.

But, he said, he is sure when the police subcommittee of the PRPC is developed, the narcotics project will be turned over to it for control.

In custody of Juvenile Officer Woody Pond, she denied having had sex relations. When an examination by Dr. Dudley Moore proved this to be untrue, she declared that Williams had raped her.

Williams stoutly denied his complicity and said he didn't even see the girl on the day of the alleged offense.

Tate and Davis both testified that they talked to Williams on that date in the Palisades and Tate told of taking a message to Davis that Williams was on the way to the cabin to beat him up.

Davis said he looked out of the cabin, saw Williams coming and that he and Tate departed leaving the prosecutrix behind.

They both said they remained in the vicinity but heard no outcry.

Davis said they were approached by Williams some 45 minutes or an hour later and were told by the defendant that the girl was upset and that they should stay there and talk to her.

Davis said the defendant drove off in a pickup truck and that he and Tate searched without success for the girl.

The date of the alleged offense was on a Friday. Williams said he worked all day at a fence company and then helped a friend repair his automobile until about 9:30 o'clock.

He said he arrived at his parents' home in the Palisades about 10 o'clock and had a TV dinner while watching the 10 o'clock news on television.

He said he went back to join the friend in Amarillo to go dancing but arrived back about 11:30, decided it was too late to go anywhere, bought some beer and returned home to bed.

He said the friend with whom he had spent the evening subsequently moved and left no forwarding address.

Prosecutors George Dowlen and Mike Hinton hammered at the failure of the defense to produce the friend as a witness and also at the failure of the defendant's parents to testify as to his whereabouts the night of the alleged offense.

The prosecutrix testified that she had bitten the defendant during the attack. The prosecution introduced three pictures taken of the defendant the Tuesday following the incident. The pictures showed two marks on the shoulders which the prosecution contended were scabbed over bite marks.

Williams said he got the marks while handling chainlink fence. Testimony ended Monday afternoon.

Rittenberry based much of his defense on lack of credibility of the prosecutrix. He said he counted fourteen lies she had told.

"She is a sad mixed up little girl," he told the jury. "But if this man is sent to prison on such testimony then, gentlemen, all of us and all our sons are in danger."

The state chose to prosecute under the statutory rape statute. Hinton told the jury that whether the little girl might have consented or not was not a matter of consideration.

The statutory rape law is on the books to protect little girls like this from men like Jerry Lee Williams," he expounded.

The case went to the jury at 10:15 o'clock Tuesday morning and the jury returned its verdict at 4:16 the same afternoon.

Rittenberry gave notice of appeal and Williams was released from Randall County jail after posting a \$7,000 appeal bond.

Hinton....

(Continued from Page 1) June of the same year and tried his first criminal case just 10 minutes after being sworn into bar membership.

He began his law practice in Amarillo as chief prosecuting attorney for the City of Amarillo under C.J. Taylor. From August, 1967, to Sept. 1, 1968, he was assistant district attorney for Potter County under both Gene Compton and Jim Curtis.

He joined the Randall County District Attorney's office in September, 1968.

Hinton received his Bachelor's Degree from the University of Texas in finance in 1963. He graduated from New Mexico Military Institute in 1959 and attended prep school at the Pen-Proke Country Day School in Kansas City.

He also attended Amarillo schools.

The assistant district attorney is the son of Mr. and Mrs. C.H. Hinton of 2028 Austin in Amarillo.

Drug.....

(Continued from Page 1) "real answer to the problem."

To handle his problem, Alexander made three suggestions:

- That two more people be added to the intelligence section to take up the overflow of cases.
- \$20,000 for two undercover agents.

That Amarillo, Potter and Randall Counties pay \$6,000 and that Canyon pay \$2,000 toward this effort.

Stiff explained that the undercover men would be hired from other cities to work in Amarillo and the area. He said they would be set up in apartments and supplied with money to make purchases of drugs.

Mayor Stroud said he feels the city commission of Amarillo will go along with the project, but suggested that perhaps an appropriation of about \$30,000 would handle the job better.

Judge E. H. Foster, chairman of the Potter County commissioners court, said he feels the commissioners will also go along with the project.

Canyon city commissioners, during their special Monday meeting, listened as Jim Christopher explained the project.

"I can't help but believe that our \$2,000 could be of more direct benefit if used here for our Police Department for whatever needs they have," Christopher said. "I feel that Amarillo will get the lion's share of the use from this thing."

Christopher asked the commission "How could it help us?"

He quoted Chief of Police Calvin Costley as pointing out that if two agents work in Amarillo, they will have a set pattern and clientele there and it would be difficult to pull them from Amarillo to do work in Canyon.

Mayor Paul Lindsey said he backs a cooperative exchange of information between the four law enforcement agencies.

"But, I can't see that we can afford to give them money and tell them to do what they please," he said. "I can't really go for that approach."

Christopher said that although drugs are a definite problem in Canyon, "we have some other problems money-wise with the Police Department."

The commission decided to seek more information from Amarillo's city commission before taking action on the project proposal.

Stuart, Thomas Are Valuable Buffaloes

Veteran Linebacker Harold Stuart and Powerhouse Duane Thomas were named most valuable players from Saturday's homecoming Buffalo defeat of New Mexico State University's Aggies.

Head West Texas State University Coach Joe Kerbel named the two to the honors during Monday night's Buff Touchdown Club meeting in Canyon.

It was the second time for Stuart to be named top defensive player this season, and the first time for Thomas.

Stuart, a 5-10, 210-pound junior from Odessa, has tallied 34 unassisted tackles during the season along with 51 assisted take downs. Last season, Stuart led the Buffs in tackling as an outside linebacker.

Thomas, a fullback who had a world of trouble getting off the ground this season, came alive in Saturday's tilt to lead the Buffs with 187 net yards in 29 carries.

The tough Dallas player bulldozed most of his runs through the big Aggie line.

Thomas became the school's fifth most effective rusher during the contest as he exceeded Charlie Sanders, a 1957 Buff

Jim Shearer, mayor of Littlefield, has been named chairman of the steering committee.

The resolution, as passed by the city commission, calls for appropriation of the about \$1,500 for the steering committee.

Pioneer last called for a gate rate increase in 1961, according to a company spokesman.

If the railroad commission approves a gate rate increase for Pioneer, the company--if it desires to seek consumer rate increase in Canyon--must come before the city commission for review.

The commission, as provided by the city charter, has the power to enact an ordinance to review such increase requests and to regulate any changes in rates for city residents.

Umbarger Festival November 9

German Sausage Festival for the Umbarger community has been set for Sunday, November 9, in St. Mary's Parish Hall. Festival preparations are underway now for the activity with some 4,000 pounds of sauerkraut aging in crock jars in the basement of the parish hall. The kraut is being checked this month by Mrs. Louis Raef. "Sausage stuffing" day will be November 6 under the direction of Elroy Artho. The annual dinner will be served from 11 a.m. to 4 p.m. November 9. In addition a coun-

try store and bazaar will be open in the parish hall offering home baked items and various handmade novelty items for sale. Tickets for the dinner will be \$1.75 for adults and \$1 for children under 12. Major project for the proceeds is the remodeling projects at the community church. Directing festival arrangements this year are Richard E. Friemel and Willie Wieck. The country store is being arranged under the chairmanship of Mrs. Ben Buecker and Mrs. Vincent J. Meyer, Sr. is in

charge of the bazaar arrangements. Concluding the festival day will be a dance in the parish hall with admission of \$1.50 per person. Playing will be Bobby Hughes and the Western Heartbeats.

District Rotarian Pays Visit

District Rotary Governor, Charles L. Reynolds of Chidress, urged Canyon Rotarians to "live up to the ideals of Rotary and make the community and world a better place to live", according to Ray Lumry Rotary Club president here. The district Rotarian was in Canyon Monday evening and Tuesday visiting in sessions with local Rotarians. He was honored guest, along with his wife, at a salad supper Monday evening after which about 31 Rotarians (50 percent of membership) attended a club assembly at the First National Bank. Wives of the Rotarians met for an informal coffee and visitation Monday evening at the home of the Lumrys. The salad supper, attended by about 70, was held in the American Legion Hall where the district governor was guest speaker at the regular noon meeting of the civic club on Tuesday.

PLOWDOWN NITROMITE THIS FALL

If the big rains come again next Spring, you're safe — with nitrogen already in the ground to give young plants a strong start. And you get the job done when the product, labor, and equipment are readily available. No last-minute rush.

Even if you graze stalks this fall, there'll still be lots of crop residue left in the field. NITROMITE plowdown will aid decomposition of this residue, releasing valuable nutrients for new plants in the Spring.

The clincher is at harvest: if ever there was a good time, this will be the year to give your crop a great big shot in the yield with NITROMITE. Shamrock's fine brand of anhydrous ammonia — 82% nitrogen for bigger, high-protein yields.

Fight back. Fight for your share of the big next year. PLOWDOWN NITROMITE THIS
